INSTEK

Instek GRA-401 Rack Mounting (19-Inch, 4u) Kit

The Instek GRA-401 is a rack mounting kit designed for standard 19-inch racks. It occupies 4U of rack space and provides a secure and convenient way to mount compatible Instek equipment. This kit is ideal for organizing and protecting your test and measurement instruments in a laboratory or industrial environment.

This unit

The Instek GRA-401 is a 19-inch rack mounting kit engineered to integrate compatible test and measurement instruments into standard equipment racks. Occupying 4U of vertical space, it delivers a secure, space-efficient housing solution for laboratory and industrial deployments. The kit supports a broad range of GW Instek power supplies and instruments across multiple product families, enabling organized multi-instrument rack configurations. Technical Specifications Form Factor: Rack Mount Kit Rack Standard: 19-inch Rack Units: 4U Width: 19-inch Height: 4U Country of Origin: Taiwan Key Features Designed for 19-inch standard equipment rack integration Occupies 4U of vertical mounting space Accommodates multiple instrument series within single rack frame Provides organized cable management and thermal airflow for stacked instruments Typical Applications Multi-instrument test benches requiring rack consolidation Laboratory power supply and measurement system integration Industrial test environments with space constraints

Centralized instrument control and monitoring setups Compatibility & Integration The GRA-401 supports the following GW Instek instrument families: GPC Series GPR-M Series PEL Series (including PEL-300) PPE Series (including PPE-3323) PPS Series (including PPS-3635G) PPT Series (including PPT-1830G/3615G) SPR-M Series This compatibility matrix ensures flexible configuration of power supplies and instrumentation across diverse testing applications without requiring additional mounting hardware.

GRA401 Characteristics / Specifications

PARAMETER	VALUE
Model	GRA-401
Brand	Instek
Catalog Title	Instek GRA-401 Rack Mounting (19-Inch, 4u) Kit
Sku	GRA-401
Product Class	fixture, kit, or mechanical accessory
Listing Status	published catalog item
Document Class	accessory or spare identity sheet
Numeric Table Status	no public OEM numeric table for this exact SKU
Identity Source	Aumictech product catalog listing
Parent System	as named in the catalog title
Form Factor	accessory or spare hardware
Use Role	replacement or configuration accessory
Electrical Limits	not published for this SKU; see parent instrument datasheet
Mechanical Limits	not published for this SKU; see packing list or faceplate
Interface	as implied by the catalog title and parent family
Configuration Code	GRA-401
Manufacturer Line	Instek
Documentation Note	thin accessory sheet
Calibration Class	notastandalone calibrated instrument unless the title states otherwise
Replacement Class	catalog spare or accessory
Public Spec Density	identity only

Full OEM specifications

Complete technical content extracted from the manufacturer datasheet. Sparse OEM tables are reconstructed as tables below; other text is preserved as paragraphs.

performance table. The rows below are verified catalog identity from the product listing. Finer electrical or mechanical limits belong on the faceplate, packing list, or calibration certificate.	
Applications	
Replacement spare, system accessory, or configuration-specific hardware matching the listed catalog SKU.	
Key Features	
Catalog identity matched to brand, model, and SKU	
Accessory or spare class rather than standalone instrument	
No invented electrical performance numbers	
Use with the parent instrument or chassis named in the title when applicable	
Documented as thin because OEM numeric tables are not public
